7. Governance: The Steering Group

7.1 KONP's primary governing body will be known as **the Steering Group**. It will be made up of representatives from local groups, full affiliates and other affiliated groups.

7.2 The purpose of the Steering Group is to set the policy and direction of KONP.

7.3 Every local KONP group and full affiliate will be entitled to nominate **one** of its members to be its representative on the Steering Group. If the nominated representative cannot attend for any reason, the group may send a substitute. Whoever attends SG meetings on behalf of a local group will have full speaking and voting rights.

7.4 Supporting Affiliates will have the right to send a representative to the Steering Group. This representative will not have voting rights but may participate in discussion at the discretion of the chair.

7.5 The Steering Group may co-opt up to six individual members. Co-option will normally be for a maximum of one year and will end at the AGM although it may be renewed at the discretion of the Steering Group by majority vote.

7.12 A minimum of eight members of the Steering Group, excluding co-opted members and supporting affiliates, may call for an **Extra-ordinary Meeting** of the Steering Group by making a written request for such a meeting to the chair of the Steering Group. The Chair will arrange an ESGM within 4 weeks.

7.13 In the event of concerns arising about the actions of any Steering Group member promoting policies that are inconsistent with the policies of KONP,

behaving unconstitutionally or in any other way bringing the integrity of the organisation into disrepute, a written complaint from no fewer than 3 members of the Steering Group should be made to the Chair of the Steering Group who will instigate procedures in accordance with the Grievance Procedure specified in Appendix 1:B.

8 Governance: the Executive Committee

8.1 The purpose of the EC is to take instruction from the SG and implement the policies specified by it. The EC should ensure the smooth day to day running of the organisation. The EC may develop its own strategies and bring those to the Steering Group for approval. In exceptional cases where there is no appropriate policy and consultation is impossible, the EC may act first and bring these actions for post facto approval to the Steering Group.

8.2 The Executive Committee must act in a transparent manner in its relationship with the Steering Group. It must present a full report of its activities to each Steering Group meeting and respond to questions, queries, comments and challenges regarding its actions.

8.3 The Executive Committee will consist of 11 people. 10 Executive Committee Members (ECMs) elected from the members of the SG. The eleventh ECM will be the President of KONP, who will be an ex officio member.

reserves the right to decide whether the role should cease to exist or whether they wish to appoint or elect another President.

8.6.7 The chair must announce the opening of the election at an SG meeting **at least eight weeks** before the SG meeting where the votes will be counted, and as **close to two years** as possible (but not more than 26 months) **after the previous election**, except for 2016/17 when the election can be brought into line with the AGM.

8.6.8 On announcement of the election, the SG will elect from among those members of the SG who are not standing for election, a group of three people who will supervise the election. This group will be known as the **Election Committee**.

- 8.6.11 Candidates will submit brief, written information about themselves, as requested by the Election Committee but including information about membership of any political party and any commercial or charitable interests six weeks before an election to enable the information to be circulated to local KONP and full affiliate groups, along with ballot papers.

Their place on it may be filled by candidates who came next in line at the previous election.⁶
- 8.6.15 If there are insufficient nominations to fill all the places on the Executive Committee, all eligible nominees who have put themselves forward will be considered elected to the Executive Committee positions without contest.

⁵ October 2015 SG: KONP President [WS] proposed an amendment, duly seconded, to a motion on the election [MH]. This allowed KONP SG, if required, to call in an outside body such as the Electoral Reform Society to oversee KONP elections. This was passed.

⁶ Clause 8.6.13 was adopted at KONP SG 10th September 2016; clauses 8.6.15 and 8.6.16 were adopted at KONP SG 13th January 2018

APPENDIX 1: Grievance Procedure

A. For individuals, KONP groups or full affiliates who are refused membership, have their membership terminated or are dissociated from KONP by the Executive Committee.

1. A motion to refuse, terminate or dissociate a member or group must be made by a majority vote at an EC meeting. The EC must inform the person or group involved in writing, giving reasons for the refusal/termination. The notice must also inform the refused/terminated group/person of their right to appeal. The EC must also inform the SG.
2. The SG may decide to refer a refusal or termination decision to the Appeals Panel in the absence of any appeal being made.
3. An individual or group who has their membership terminated will be advised that they must, with immediate effect, stop using the KONP logo or claiming to speak in the name of KONP. However, all voting and attendance rights will remain until either the time for an appeal has passed and no appeal has been lodged, or the appeals process has been completed and the action of the EC exonerated.
4. An appeal must be made within four weeks of receipt of notice of refusal or termination. On receipt of an appeal the Chair of the Steering Group will refer the case to the Appeals/ Grievance panel of the SG within two weeks.
5. The Appeals/ Grievance panel will examine the evidence for the decision and grounds for the appeal then make a recommendation to the full Steering Group giving the reasons for their decision and a brief outline of the evidence on which it is based. Individuals or groups who have been refused membership or had their membership terminated will be given an opportunity to present their case personally to the Appeals/Grievance panel. The panel will normally conclude their investigations within 6 weeks and communicate their conclusions and reasons to the appellants.

6. The final decision will be made in a meeting of the Steering Group. Any decision to refuse membership, dissociate KONP from a particular KONP group or full affiliate or terminate the membership of an individual will require a two-thirds majority vote in the Steering Group. Where the decision relates to a local KONP group or full affiliate and they are not happy with the recommendation of the Appeals/ Grievance panel, they will be given an opportunity to speak at the meeting of the Steering Group which decides the case.
7. The Chair will advise appellants in writing of the decision of the Steering Group and the reasons for it.

B. Complaints against members of the organisation

1. In the event of concerns arising about the actions of any Steering Group member publicly promoting policies that are inconsistent with the policies of KONP or in any other way drawing the integrity of the organisation into disrepute a written complaint from 3 KONP members should be made to the Chair of the Steering Group who will refer the matter to the Appeals/ Grievance panel and advise the person against whom the complaint has been made of the nature of the complaint, the process of investigation and their right to respond in person at a meeting of the Panel. Should the complaint be against a co-chair of KONP it should be addressed to the other co-chair, or to the KONP executive committee.
2. The Appeals/ Grievance panel will examine the evidence for the complaint and make whatever enquiries they deem necessary. They will offer an opportunity to the person against whom the complaint has been made to present their views to the panel in person. They will normally seek to conclude their enquiries within 6 weeks then make recommendations for action to the full Steering Group giving reasons for their decision and an outline of the actions they have taken to inform their recommendations.
3. The Steering Group will decide on action to be taken in response to the complaint. Should it be deemed necessary to remove an officer from their post or other ECM from the Executive Committee this would require a simple majority of those present.
4. Care should be taken to respect the dignity of all members throughout all grievance procedures.

APPENDIX 2: Standing Orders for the conduct of Steering Group meetings and motions at the AGM

2.1 The Agenda for Steering Group meetings will be drawn up by the Chair in consultation with the Executive. However, a motion sent to the chair at least two weeks before an SG meeting, backed by at least three SG members, must be included on the agenda. - e. An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f. If an amendment to the original motion is carried, the original motion becomes the substantive motion upon which further amendment(s) may be moved.
- g. A proposer may move an amendment to their own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.

- h. If there is more than one amendment to an original or substantive motion, the amendments shall be moved in the order directed by the chairman.
- i. One or more amendments may be discussed together if the chairman of the meeting considers this expedient but each amendment shall be voted upon separately.

- k. The mover of an amendment will have the right to reply for one minute before the amendment is voted on.

 - iv. to give a personal explanation; or
 - v. in exercise of a right of reply.
- n. During the debate of a motion, a member may interrupt only on a point of order or a personal explanation and the member who was interrupted shall stop speaking. A member raising a point of order shall identify the standing order which s/he considers has been breached or specify the other irregularity in the proceedings of the meeting s/he is concerned by.
- o. A point of order shall be decided by the chairman of the meeting and her/his decision shall be final.
- p. When a motion is under debate, no other motion shall be moved except:
 - i. to amend the motion;
 - ii. to proceed to the next business;
 - iii. to adjourn the debate;

- iv. to put the motion to a vote;
 - v. to ask a person to be no longer heard or to leave the meeting;
 - vi. to refer a motion to a subgroup for consideration;
 - vii. to adjourn the meeting; or
 - viii. to suspend particular standing order(s) excepting those which reflect mandatory statutory requirements.
- q. Before an original or substantive motion is put to the vote, the chairman of the meeting shall be satisfied that the motion has been sufficiently debated and that the mover of the motion under debate has exercised or waived his/her right of reply.
 - r. The contributions or speeches by a member shall relate only to the motion under discussion and shall not exceed 3 minutes without the consent of the chairman of the meeting.

2.3 Voting at meetings will take place by a simple show of hands. In the absence of consensus, decisions will be made by simple majority vote with the exception of the following cases:

The motion, if seconded, shall be put to the vote without discussion.

c. If a resolution made under standing order 2(b) above is ignored, **[STEP 3]** the chairperson of the meeting may take further reasonable steps to restore order or to progress the meeting. This may include temporarily suspending or closing the meeting.

Appendix 3: Conduct of elections to the Executive Committee

1. The election committee is the ruling body in the conduct of the elections. In the event of disputes concerning the elections the decision of the Election Committee will be final.
2. Within 5 days of the Election Committee being formed the officers will provide the committee with a full list of paid-up KONP and full affiliate groups
3. Within 7 days of the election being announced at a Steering Group meeting the Election Committee must send all eligible groups notification of the election, the election timetable and request for candidates [Form 1] plus candidate's details [Form 2].
4. Candidates for the election must complete and return Form 2 within two weeks. If not complete, the election committee will inform the candidate of any failings within 48 hours of receipt of the incomplete Form 2 to enable the candidate to make the necessary amendments, as long as the deadline is not breached.
5. The Election Committee will send all eligible groups completed Forms 2 for each candidate, a ballot paper, and instructions on how to vote five weeks before the deadline for return, which will be one clear day before the SG meeting immediately before which the count will be completed.
6. Each branch will be asked to confirm receipt of the ballot paper to the Election Committee within seven days. The Election Committee will pursue missing acknowledgements and re-send ballot papers as necessary to try to ensure that all eligible groups are in receipt of ballot papers.
7. Voting will be by single transferrable vote based on the model ballot form below. (see Form 3: Model ballot paper) unless the Steering Group decides to use another voting system.

8. Ballot papers must be returned before midnight one clear day before the count. If ballot papers have not been returned by seven days before the count, the Election Committee should endeavour to persuade Local Groups to return their ballots.
9. Ballot papers should be signed by two KONP members present at the meeting where they were completed. Should this prove difficult for a full affiliate group, groups should send in their ballot paper with a note of explanation to the Election Committee. The Election Committee will adjudicate on the validity of ballot papers and their decision will be final.
10. A copy of the minutes of the meeting or at least the section of the meeting at which the ballot was completed, indicating numbers present, should be enclosed with the ballot papers. Failure to return validation of collective decision making regarding the election will disqualify a group from voting. Any members belonging to more than one group should exercise their vote at one group only.
11. The count will take place immediately before the SG meeting designated in the notification of the election sent to the local groups/full affiliates. (See paragraph 3 above). Any SG member can attend as an observer. Counting will be carried out in the following order: co-chairs, secretary, treasurer, non-officer ECMs.
12. Once the count is completed the Election Committee will announce the results at the SG meeting. It will send the results to each Local Group / Full Affiliate within seven days of the count, prepare a report on its activities for the EC/SG if required and then disband itself.
13. Those elected begin their new roles with immediate effect.

Form 1: Model letter for announcing the election

Announcement of the election for the Executive Committee of “Keep Our NHS Public” and invitation to candidates (form 1)

Dear KONP Steering Group Members and key contacts for local KONP and full affiliate groups

At the Steering Group meeting on the Chair announced that elections are to be held for the Executive Committee. The elections will be for the following roles: co-chair (2 posts), the secretary, the treasurer and non officer executive committee members (6 posts). Any member of the Steering Group (except co-optees) may stand for election.

It is possible to stand for more than one post eg. a member who stands for secretary should also stand for one of the posts of ordinary Executive Committee member if they wish to be on the EC should they not be elected as secretary.

To ensure that the election process is as democratic and inclusive as possible, ballot papers should be completed at a meeting of a KONP or full affiliate group and minutes of the meeting or at least the relevant section of the meeting should be returned with the ballot paper.

Please note the following deadlines:

1. Anyone who wishes to be a candidate must return the attached Form 2: Candidate’s Details by (**date**) Completed forms should be e mailed to or posted to
The Election Committee will send you an acknowledgment that your form has been received within 4 days.
2. The named contacts for all KONP and full affiliate groups will receive by e mail the completed Form 2s for all candidates, a ballot paper and an explanation of how to vote using the single transferable vote system by (date)
3. Please confirm receipt of your ballot paper by (date) by e mailing the election group at
4. You must return your ballot paper to by (date). Please do not leave returning your ballot paper to the last minute. If your ballot paper is not received by midnight on the date above your KONP or Full Affiliate group will be disqualified from voting.
5. Your completed ballot paper should be signed by 2 KONP members present at the meeting where it was completed. Should this prove difficult for a full affiliate group, please send in your ballot paper anyway with a note of explanation to the Election Committee. The Election Committee will adjudicate on the validity of ballot papers and their decision will be final.

6. A copy of the minutes of the meeting or at least the section of the meeting at which the ballot was completed, indicating numbers present, should be enclosed with your ballot paper. In exceptional cases where this has not been possible, evidence of alternative methods of collective decision making needs to be supplied. Failure to return validation of collective decision making regarding the election will disqualify your Local Group from voting. Any members belonging to more than one group should exercise their vote at one group only.
7. Please e mail to advise your ballot paper has been sent. The Election Committee will acknowledge receipt of your ballot paper by e mail.
8. The count will take place immediately before the Steering Group meeting on(date) and will be open to SG members.

For each table rank the candidates in order of preference by putting ‘1’ next to the name of your first choice, ‘2’ next to your second choice, etc. You do not *have* to vote for all the candidates in a table but you can if you wish. Under STV you cannot have tie votes; you must not give the same number to more than one candidate in each table.

Candidates are likely to appear in more than one table. You will probably find it easier to vote for the officers first but treat each table as if it were a separate election and rank candidates as suggested above.

At the count the election of officers will be dealt with first. As elected officers become members of the EC they will be removed from the non-officer ECMs table. This means for example if your first and second choices for non-officer ECMs are elected as officers your group’s third and fourth choices for non-officer ECMs will be treated as your first and second choices.

Form 3b: Validating information to accompany the ballot paper

You are required to attach the following validating information with your completed ballot paper

NB: please do not write on the ballot paper; use this separate sheet.

1. Name of group:

Location:

2. Signatures of 2 KONP members present at the vote.

.....

.....

3. Explanation of how the vote was conducted and relevant evidence

To ensure that the election process for the EC is as democratic as possible, it is expected that ballot papers will be completed in a meeting of your group.

To evidence this, please attach minutes of the meeting at which the ballot paper was completed or at least a note of the relevant part of the meeting with numbers present.

In the exceptional circumstance where it did not prove possible to have a meeting to complete the ballot paper, please explain to the Election Committee:

- a. why this wasn't possible
- b. what you did to ensure that the completion of your ballot paper was a collective process

How the Counting is Done

In order to vote, you only need to rank the candidates. However, in order to understand how the voting is fair, it is useful to understand how single transferrable vote (STV) works. A successful candidate must achieve a quota of the total votes cast. A quota is calculated using the following formula:

Required quota = (votes cast/number of posts + 1) + 1 vote.

eg: 50 votes for 2 posts translates to $[50 / 2+1] + 1 = 50/3 + 1 = 16.7 + 1 = 18$ votes

eg: 50 votes for 1 post translates to $[50 / 1+1] + 1 = 50/2 + 1 = 25 + 1 = 26$ votes

To make a percentage, multiply the number of votes needed for an individual by 100 and divide by total votes. So if there is only one post for a role and 50 votes case, a candidate needs:

$[25 \times 100 / 50 + 1]$ per cent = $[50 + 1]\%$ = 51% of the votes cast to reach the quota.

The count is done as follows:

1. A candidate who has reached or exceeded the quota is declared elected.
2. If a candidate has more votes than the quota, surplus votes are transferred to other candidates. Votes that would have gone to the winner go to the next preference.
3. If not enough candidates meet the quota, the candidate with the fewest votes is eliminated and those votes are transferred to the second preferences.
4. This process repeats until either a winner is found for every post or there are as many posts as remaining candidates.

In the simplest case where there is one post per role all the first choices are counted. If a candidate gets 50% of the vote plus one vote, then they have won.

If no one reaches the quota then the candidate with the fewest votes is eliminated and his/her votes are allocated to the second choices on his/her supporter's ballot papers. If still, no candidate has reached the quota, then the next candidate from the bottom has the second choices on their ballot papers allocated, and so on until someone reaches the quota and becomes the elected candidate.

The process is similar if there is more than one post per role as in the case of the co-chairs. In this case using the formula above, the quota will be 33% (you can't have fractions of a vote so the figure is rounded down) plus one vote.

Again the first choices are counted. If any candidate reaches the quota, they are elected. (There can't be more than two because of the way the quota is calculated). Any votes over the quota are distributed to the second choice candidates. If not enough candidates have reached the quota, then the candidate with the fewest votes is eliminated (as per the one post example above) and their votes distributed to the second choices. This happens as above until enough candidates have reached the quota.

In the case of the non-officer ECMs there are six posts for the role so the quota is different (6 posts + 1 = 7; $7/100 = 14\%$), but the procedure is the same as for the co-chairs above.

There is one further complication. Each candidate may stand for more than one post. For example, a candidate may wish to stand as an officer, but failing that, be a non-officer ECM. This system also offers local groups/full affiliates more choice.

STV allows for this very easily. If you put '1' by your first choice candidate, but s/he is elected for another post prior to the count for the current post (whatever it may be), then their name is removed from the ballot and your second choice becomes your first choice. This of course may also happen to your second choice, in which case your third choice becomes your first choice, etc.
